Computer Engineering student at McGill seeking an internship, with interests in AI, software, and math. I build AI agents with Claude Code and enjoy breaking hard problems into clear steps, a habit from tutoring and chess.

Education

McGill University – Faculty of Engineering *B.Eng. in Computer Engineering*

Expected graduation: April 2031
Montreal, Canada

- GPA: 4.00/4.00 — Relevant coursework: COMP 202 (Python), COMP 206 (C, Bash, Linux), ECSE 250 (Java, data structures).

College Mariste Champville *High School Diploma / Lebanese Baccalaureate*

Graduated 2025
Dik El Mehdi, Lebanon

- Average of 18/20 (equivalent to a 4.0 GPA); Honor Roll for academic performance.

Work Experience

AI Builder with Claude Code *Freelancer*

August 2026 – Present
Montreal, Canada

- Build AI agents from idea to launch, like a WhatsApp assistant that answers customers and books appointments. [GitHub](#)
- Develop Lead Finder, which ranks 2,800+ Montreal hair and beauty businesses without a website and drafts demo sites. [GitHub](#)

AGBU Montreal *Math Tutor*

July 2026 – September 2026
Montreal, Canada

- Tutored 20–25 students in algebra, geometry, and calculus, adapting explanations to each student's level and pace.
- Prepared practice problems and review sessions targeting recurring areas of difficulty and exam readiness.

Independent Tutoring *Math Tutor*

2025 – 2026
Beirut, Lebanon

- Tutored 10 high school students one-on-one in algebra, calculus, and geometry.
- Broke down complex concepts into step-by-step explanations tailored to each student.

NinjaCO *Robotics Tutor*

July 2023 – August 2023
Beirut, Lebanon

- Taught 40+ students the basics of coding and robotics with LEGO WeDo and SPIKE kits.
- Guided students through building, testing, and troubleshooting their robotics projects.

Leadership and Extracurricular Experience

Saint Joseph University – Faculty of Management *High School Entrepreneurship Competition*

February 2024 – May 2024
Beirut, Lebanon

- Built a business plan with a team, covering market research and financials, and pitched it to judges.

Les Scouts du Liban *Patrol Leader*

2019 – 2025
Dik El Mehdi, Lebanon

- Led a patrol, planning activities and mentoring younger scouts during multi-day camps.

Caritas *Volunteer*

2022 – 2024
Keserwan District, Lebanon

- Organized community outreach and aid distribution for vulnerable families with other volunteers.

Skills

Programming: Python, Java, Bash, C — data structures, algorithms, robotics programming

Languages: French (Professional), English (Professional), Arabic (Native), Armenian (Beginner)
