Montreal, Canada | (514) 566-1210 | gregory.sutjian@mail.mcgill.ca | linkedin.com/in/gregorysutjian

Education

McGill University – Faculty of Engineering

B.Eng. in Computer Engineering

Winter 2026 – Winter 2031

Montreal, Canada

- Relevant coursework: programming, data structures, mathematics, and circuits.

College Mariste Champville

High School Diploma / Lebanese Baccalaureate

2010 – 2025

Dik El Mehdi, Lebanon

- Average of 18/20 (equivalent to a 4.0 GPA); Honor Roll for academic performance.

Work Experience

AGBU Montreal

Math Tutor

July 2026 – September 2026

Montreal, Canada

- Tutored students in algebra, geometry, and calculus, adapting explanations to each student's level and pace.
- Prepared practice problems and review sessions targeting recurring areas of difficulty and exam readiness.
- Tracked individual progress and adjusted lesson plans accordingly.
- Taught in English, French, and Armenian within a community-focused organization.

Independent Tutoring

Math Tutor

2025 – 2026

Beirut, Lebanon

- Tutored high school students one-on-one in algebra, calculus, and geometry.
- Broke down complex concepts into step-by-step explanations tailored to each student.
- Improved students' problem-solving skills and exam results through structured practice.

NinjaCO

Robotics Tutor

July 2023 – August 2023

Beirut, Lebanon

- Delivered hands-on instruction in robotics, covering basic programming, sensors, and mechanical components.
- Guided students through building, testing, and troubleshooting robotics projects.
- Provided individualized support to help students grasp STEM concepts and logical thinking.

Leadership and Extracurricular Experience

Saint Joseph University – Faculty of Management

High School Entrepreneurship Competition

Feb. 2024 – May 2024

Beirut, Lebanon

- Built a business plan with a team and pitched the concept to a panel of judges; awarded a certificate of participation.
- Shared responsibility for market research, financial estimates, and the final presentation under a fixed competition deadline.

Scout du Liban

Patrol Leader

2019 – 2025

Dik El Mehdi, Lebanon

- Led a patrol and coordinated group activities, planning and executing projects and events with a team.
- Mentored younger scouts and delegated tasks during multi-day camps, building teamwork and decision-making under pressure.

Caritas

Volunteer

2022 – 2024

Keserwan District, Lebanon

- Organized and delivered community outreach activities supporting vulnerable populations.
- Coordinated with other volunteers to prepare and distribute aid, adapting to changing needs on site.

Technical Skills

Programming: Python, Java — data structures, algorithms, robotics programming

Languages: French, Arabic, English, Armenian

Interests: Chess, coding, mathematics
